To,

**Prof. SAGAR UTTAMRAO MORE
NAGAON EDUCATION SOCIETYS GANGAMAI COLLEGE OF ENGINEERING NAGAON DHULE
AT. POST. NAGAON, DIST. DHULE**

Dear Examiner ,

You are aware that the main duties, responsibilities and accountability of teacher are teaching, learning, evaluation and research. Now one of the important phase of evaluation is going to start. For that purpose, I have a great pleasure to inform you that the work of assessment of answer books of examinations held during the period OCT/NOV 2019 is organised from **24-12-2019**. For this purpose, you are appointed as Moderator/Examiner for the Subject/s Under the Faculty of **ENGINEERING AND TECHNOLOGY**.

You are aware that, as per Section 48(1) (f) of the Maharashtra Public University Act, 2016 and the Exam. Uniform Ordinance 10, the CAP has been introduced to maintain uniformity and consistency in the assessment, increase accuracy and efficiency in the declaration of results in the shortest possible time and creating confidence amongst students about the assessment system.

As per Section 48(4) of the Maharashtra Public University Act, 2016 it shall be obligatory on every teacher of University affiliated, conducted or autonomous college or recognized institutions to render necessary assistance and service in respect of examination of the University. I hope you will render your valuable services for evaluation purpose.

I would like to bring to your kind attention a few important points for your guidance.

1) The Venue of CAP : **Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon**

2) The working hours of assessment will be from **10:00 am to 5:00 pm** (Lunch break for CAP office will be 1:30 pm to 2:00 pm)

3) In case, you require accommodation facility during CAP period, it will be made available in the Guest House/Shikshak Bhavan/Concerned College Guest House / Hostel subject to vacancy. (If CAP is organized in University Campus)

4) You will have assess minimum 90 papers for UG and 60 papers for PG. Examiner/Moderator should have to assess the answer book/s as per Scheme of Marking and Model Answer to maintain the uniformity in assessment work.

5) Examiner/Moderator should strictly follow the instruction no 4 as mentioned in Circular No. 348/2018 dt. 26/11/2018 while assessing the answer books of "Students with Disability"

6) Report the CAP centre at 10:00 am on above mentioned date.

7) As per provisions, the examinee can inspect or demand the photo copy of evaluated answer book/s. In this direction the motto of CAP to create confidence among the students about the assessment system shall become more successful.

8) In case of any doubt/suggestions/complaints, you are requested to contact Director Board of Examinations and Evaluation or CAP Director, without any hesitation.

9) Do not bring your MOBILE PHONE in the assessment hall.

10) You are requested to bring your Identity Proof (Driving License / PAN Card / Aadhar Card etc.) and Passport size photograph for preparing identity card for CAP purpose.

11) The payment of TA/DA and remuneration of assessment will be paid through online transfer to your bank account. Remuneration / Hon. Paid for Exam work is taxable & required to be intimated by the employee to his/her employer for TDS purpose.

As per Section 48(4) of the Maharashtra Public University Act, 2016 if you are failed to comply the order it shall be treated as misconduct and you shall be liable for disciplinary action.

The success of CAP depends on your co-operation, I therefore request you to extend whole hearted co-operation.

I would like to draw your attention to Section 48(4) of the Maharashtra Public University Act, 2016. It shall be obligatory on every teacher to render necessary assistance and service in respect of examinations of the University. If any teacher fail to comply with the order of the University in this respect, it shall be treated as misconduct and the teacher shall be liable for disciplinary action, accordingly.

Academic Year	2017-18
Name of the Activity	Motivational & Inspirational Speech to overcome Exam Fear for Higher secondary class.
Date of the Activity	01/02/2018
Organized By	Civil Engg. Dept., NES's Gangamai College of Engineering, Nagaon Dhule. (M.S)
Objective	To make students of the society aware about how to overcome exam fear.
Brief Report	<ul style="list-style-type: none">• Exam are often considered a "fear" factor among children. Students of all age groups do undergo exam anxiety and have "exam phobia" when its around the corner.• Create a Plan: Keep your brain aware of your daily routine so that it is always prepared to take the next action and has no time to think of the fearful sight of the exam.• Eat Well and Rest Well: Balanced diet is very important in a student's life! Especially during exam time, balanced diet plays a crucial role in a student's level of preparation. For human body to function efficiently, it is necessary to consume a balanced diet.• Do not compare with other's preparation: Students tend to phone up their buddies and chat about each other's preparation (progress, level of preparation etc). While this is harmless to a large extent, this could also lead to stress and anxiety.
Outcome	At the end of program students learned about the society aware about how to overcome exam fear during exam time.

Object of Event	1. Importance of higher Studies 2. Understand why higher education is so important in society
Brief Report	Higher education is not limited to earning a degree or getting a good job. Higher education can be seen as a personality development tool. During the studies, the students are shifted to their non-comfort zone. This zone teaches them to engage in critical thinking and work out on problems. These improved skills in thoughts and logic make them better people with the ability to solve real-life crises. A person with a degree is expected to be awarded a better salary. People with at least a bachelor degree working full time are doing better than those with a high school completion degree. Educated people benefit from multiple resources such as health and life insurance ..

Brief of Report	Rapid deployment of vaccines against COVID-19 may enable non-pharmaceutical interventions to be eased in the coming months. Efficient and effective vaccination strategies should be directed by explicit objectives. Therefore, the setting and prioritisation of clear and measurable goals for COVID-19 vaccination strategies is of crucial importance. In this document we discuss the following four potential goals of COVID-19 vaccination: reduction of pressure on the healthcare system; reduction of overall COVID-19 severity and mortality; re-opening of society and disease elimination
